

## **ROMANO ALFIERI – Discography**

Born in Pisa on the 28/05/82, is currently Reflex Club's resident artist, and the head of the largest Tuscan events. During the many parties, he has had the opportunity to share the decks with internationally renowned artists.

In 2007/2008, he brought the musical life and soul to the Reflex club twice a month, where once more he found himself frequently sharing the decks with the most prominent members of the Worldwide Electronic scene.

He also was regularly booked as guest d.j. in various of the finest clubs in Northern Italy. In December 2009, he was signed to Break New Soil, the label's of Gregor Tresher, which is equally a high profile and well established label on the European panorama and from which he will be releasing his latest E.P. "Moved To Love ep" as been one of the biggest dancefloor destroyers of the winter season.

His sets are brimming with Groove and are characterised by the heavy influence of Funky, varying from House all the way through to Techno based Groove.
